## 教育政策風起雲湧 創新思維展現國際視野

—精誠中學中英文簡介序

愛爾蘭詩人葉慈曾說：「教育不是注滿一桶水，而是點燃一把火。」在這個「世界是平的」的時代，傳統的教學模式早已無法滿足現代教育浪潮，現代教育必須創新思維，展現國際視野。

精誠中學是一所歷史悠久的學校，創校已歷一甲子。不僅是彰化地區頗負盛名的學校，同時也有一定的全國知名度。我從民國101年執掌校務以來，一直在思索如何讓精誠中學深耕彰化並走入世界，成為首屈一指的學府。這幾年來，我們不斷地舉辦各種遊學團，開闊學生的視野，同時進行各種教育參訪，讓學生了解學習是無所不在的歷程。我們與大陸的上海格致中學、蘇州一中等進行交流，也與日本多所名校互有往來。種種作為，都希望打破學生既有的學習模式，找到自我學習的熱情和力量。

教育，在生活中發生，不僅是知識的獲取，分數的取得，更重要的是培養學生具備內省的能力和恢宏的器識。在教育場域裡，所有的作為都必須有深厚的教育哲學意涵在其中。出版這本中英對照的學校簡介，除了想要行銷學校之外，更想要讓莘莘學子從校方的自我學習歷程中看見教育主事者的自我領導力。

他山之石，可以攻錯。當我們在進行友校參訪時，見賢思齊，總能帶回許多別人的長處作為學習的榜樣，而我們也期許當友校來訪時，本校的辦學特色及標竿表現同樣能夠成為別人取經的對象。

人之所以能偉大，因為不斷地學習和精進；學校要能永續經營和發展，也必須具備自我更新和蛻變的能量和實踐。

學校中英文簡介的編撰和付梓，標誌著精誠中學的里程碑——一甲子的歲月風華，要釀造出風味出眾的醇美。

校長 郭伯嘉 謹志

*Where educational policies are all the rage,  
innovation builds up a global vision.*

**This Chinese-English brochure signifies a significant landmark for Ching Cheng:**

Yeats, an Irish poet, said, "Education is not the filling of a pail but the lighting of a fire." In this global village, traditional teaching methods can no longer keep up with the demands of modern education. Innovative thinking is required, so that modern students can excel in the international arena.

Ching Cheng, a very tradition-bound school, has been around for sixty years. It is renowned in Changhua, and enjoys a high profile in Taiwan. Since I took over running the school in 2012, I have been considering different ways to make Ching Cheng adopt the latest teaching innovations, and allow it to become a second-to-none school. Recently, we have been holding various kinds of study tours, to encourage our students to explore and exceed their limitations, and paying visits to other schools, in an effort to convince the students in those schools that learning is ubiquitous. We have become associated with such schools as Gezhi High School in Shanghai, Suzhou No.1 High School in China, and several top high schools in Japan, in order to inspire students to break out of their traditional learning styles, while recovering their passion for learning.

Education is everything in life. It includes, obviously, the act of acquiring knowledge and achieving high test scores, but more importantly, education allows students to develop introspection, broad-mindedness, and lucidity. In education, whatever is done to achieve these goals must be deeply rooted in solid educational philosophy. This Chinese-English brochure, apart from introducing Ching Cheng to the international community, is designed to demonstrate to all of the students the principal's leadership goals when they are learning in school.

By visiting and engaging in student exchange programs with other schools, we have learned a great deal about what makes their schools advantageous. We also hope that the other schools with which we communicate with will learn from our own experiences when running our school during their time here.

A person's greatness lies in their learning and their ability to apply their education, and the sustainability and development of any school is rooted in adaptability, energy, and implementation of new, unique learning methods.

# HISTORY OF CHING

## 精誠校史

有鑑於彰化原有之中等學校不敷容納青年學生升學，蘇振輝、王耀南、翁慨等熱心教育人士出而籌劃，於民國四十五年成立本校第一屆董事會，並由鄧傳楷先生出任董事長。

創設時，蒙彰化縣政府撥借校地與補助，及各界人士暨彰化縣議會支助，始得成立。初名「台灣省彰化縣私立精誠初級中學」。民國四十五年七月立案設校，錢學康先生為第一任校長。

民國四十六年，錢校長請辭，由劉琬先生接任。越期年，以本縣各中等學校高中班較少為考量，增設高中部。民國四十七年七月奉准立案，爰名為「台灣省彰化縣私立精誠中學」。

民國四十九年畢靜子女士接掌本校，致力於擴充設備，改進教學功能等，為本校奠定宏基。然畢校長於民國五十三年十月十一日積勞成疾抱職仙逝，即請教務主任沈兆同暫行兼代。

民國五十四年八月卅一日，由縣政府督學宋協邦先生兼代校長。民國五十五年四月，董事會改組，由蘇振輝先生擔任董事長，另聘林維增先生出任校長。林校長在職期間，擴建教室，健全人事及財務制度，延聘優良教師，創設獎學金，注重學生德智體群之平衡發展，成效大著，校譽日隆。

民國六十八年七月林校長榮退，由許榮達先生接篆。許校長辦學熱心，德術感人。治校期間不但整建校舍，購買校車，強化學生輔導組織，增購各項教學設備，又調和人事，廣納建議，在其領導之下，科學、人文教育皆成繁頭，造就無數醫學及大學聯考榜首之人才，使精誠中學躍升名校之列。

民國八十九年三月，許校長退休，由本校人事主任王哲夫先生代理校長。

民國九十年二月一日，禮聘曾勤仁先生接掌校務，曾校長資歷完整，治校經驗豐富，辦學績效斐然。校內始聘外籍老師任教，利用寒暑假舉辦海外遊學，提升學生外語能力，塑造學生世界觀，種種作為展現了精誠高中的新風貌。

民國九十七年二月，曾勤仁校長任期屆滿退休，由賴炳輝先生接棒。賴校長於本校深耕多年，資歷完備，對本校底蘊瞭解，細膩深入，故所研議的教學方針，更能貼近本校「醫科搖籃」之傳統特質。賴校長悉心擘畫「資賦優異學生培訓計畫」及「課業補救計畫」兩大教學方針，期勉教師群能以正面態度鼓勵學生，達成「讓每一學生都有競爭力」的目標。積極要求學生遵守生活規範，努力推動品格教育。

民國一百零一年八月，賴校長退休，董事會禮聘原台中一中校長郭伯嘉先生接掌校務，郭校長一直從事高中教育，長久服務基層，辦學能力備受教育界肯定。

郭校長秉持「學生第一、教學為先」的教育理念，以及「對人要誠，處事要平」的原則治校。並且強調承續傳統，營造發展契機，提昇學校效能，落實行政效率，凝聚發展動能，積極延續學校既有的發展願景，結合教師、學生、家長及校友之期待，營造精誠校園朝向安全、健康、和諧、溫馨、多元、優質，引領精誠高中邁向另一新的紀元。

# CHENG HIGH SCHOOL

## *History of Ching Cheng High School*

To better secondary education in Changhua, some enthusiasts, like Su Zhenhui, Wang Yaonan and Weng Kai, raised funds to start a private school. Soon, they formed a board of directors to oversee school constitution and bylaws. Mr. Deng Chuankai was appointed as chairman of the board.

In July, 1956, the school, Ching Cheng Junior High School, was founded with the aid of both Changhua county government and council and many financial persons. The first principal was Mr. Qian Ningkang.

The next year, 1957, Mr. Liu Hu succeeded Mr. Qian as principal. Later the school added the upper graders and transformed itself into a combined junior and senior high school. In July, 1958, the school was renamed as Ching Cheng High School.

From 1960 to 1964, Miss Bi Jingzi took charge of the school and devoted herself to bettering facilities and school performances, which contributed to her death from overwork. Her unfinished work was taken over by Mr. Chen Zhaotong, the director of educational affairs division.

In August, 1965, the educational inspector Mr. Song Xiebang came on as a substitute principal. Until the next April, the board of directors was under reconstruction, appointing Mr. Su Zhenhui and Mr. Lin Weizeng as chairman of the board and principal respectively. During his term of office, Mr. Lin was always trying to expand facilities, ensure adequate financial and personnel systems, find highly-qualified teachers, and set up a scholarship fund. He strived to promote character education in school. And he really made a great progress on it.

Mr. Xu Rongda took over from the previous principal in 1979. Enthusiastic and virtuous, Mr. Xu endeavored to enlarge school buildings, purchase school buses, and strengthen student counseling organization. In his effort to develop science and humanities education, many graduates came top in various entrance exams to medical schools and other prestigious universities.

Mr. Xu retired in March, 2000 and Mr. Wang Zhefu, the director of personnel, was a temporary principal substitute.

In February, 2001, Mr. Zeng Kanren, an experienced academician and educational administrator, was recruited to strengthen school performance. He started to open many language courses lectured by foreign teachers and hold overseas tour during summer vacation for the purpose of cultivating students' global perspectives and widening their horizons. Students benefited greatly from the special language curriculum.

Mr. Zeng's term of office expired in February, 2008 and Mr. Lai Binghui was his substitute. Based on his working experience in school for years, Mr. Lai promoted programs in both gifted and remedial education. Besides, he thought of character education and its practice in both teachers and students. His educational notion is to make every student hardworking, ambitious and competitive.

Mr. Lai retired in 2012. The board of directors enlisted Mr. Guo Bojia to supervise school performance. As the former principal of Taichung Municipal Taichung First Senior High School, Mr. Guo has been known for his principal professional competence and practical wisdom.

Mr. Guo's educational notion is to give priority to promote awareness of learning and teaching in students and teachers respectively. Also, he works hard on making all the members treated fairly and sincerely. Standing on the shoulders of pioneers and showing the way for those to come, Mr. Guo still devotes himself to lifting administrative efficiency, integrating staffs, teachers, students and parents into a new, promising school vision. Under his leadership, the school has become a good learning environment of safety, health, harmony, warmth, diversity and excellence!
